2019 Canadian Open Mathematics Challenge B.C. Competition

Please return this form as quickly as possible. It must be received by January 8th, 2020. We award some UBC COMC-based scholarships to Grade 12 students. These scholarships will recognize top students who plan to enter UBC directly from high school. (UBC will consider scholarship deferral requests from students who want to take a year off from studies before they enter UBC.) Also, these scholarships will be **in addition to** any other UBC entrance scholarship that students may receive. **To be eligible to win such a scholarship, it is necessary to attend COMC Math Day, to indicate the UBC Faculty in which you hope to register in Fall 2020, and to indicate your intended field of study.**

NAME _____

SCHOOL _____

Preferred Morning Tour:

1. Centre for Brain Health and Beaty Museum [☐]
2. Stewart Blusson Quantum Matter Institute (SBQMI) and Biotechnology (MSL) [☐]
3. Either OK [☐]
